Arizona Highway Safety Partners

Re: Federal Fiscal Year 2008 Highway Safety Plan

The Governor's Office of Highway Safety (GOHS) is implementing a new proposal process. This new process will be web-based. The proposal website will go "live" on Monday, 2 April 2007. The deadline for submitting proposals is Monday, 14 May 2007 at 11:59 pm.

Because this is a new process, and the only way a proposal can be submitted, training on the new system will be provided, at no cost, to all of our partners. It is important that all personnel that are involved in the process (developing the proposal, administering the contract and financial responsibilities) attend the training. This system will be used for the proposal process, issuing contracts, submission of narrative reports, requesting change orders, and reimbursements.

There are two training sessions (8:30 am to 11:30 am and 1:00 pm to 4:00 pm) at each location to ensure that everyone has an opportunity to attend. **You only need to attend one time slot session.** Training has been scheduled on the following dates:

Tuesday, 3 April 2007 – Flagstaff (location to be determined)

Wednesday, 4 April 2007 – Phoenix – Maricopa County Sheriff's Office, Training Facility, 2625 South 35th Avenue

Thursday, 5 April 2007 – Tucson – Tucson Police Department, Midtown Sub-station, 1100 South Alvernon Way

All participants are requested to register by sending an email to Linda Mendyka, Project Coordinator at lmendyka@azgohs.gov. Please provide the name of each participant, agency and which training session you wish to be registered for. Registration will be on a first come/first served basis.

As in the past, proposals relating to highway/traffic safety issues from state, county, municipal, university, tribal, and non-profit agencies will be considered for the 2008 Federal Fiscal Year which commences 1 October 2007. All projects are funded in the form of Reimbursable Contracts.

The FY2008 Highway Safety Plan will specifically target the following areas and proposals addressing these areas will be given priority:

- | | |
|---|---|
| <p>1. Speed
Exceeding maximum posted
Not reasonable and prudent
School Zones
Aggressive Driving</p> <p>2. Impaired Drivers (over and under 21 years)
Youth Alcohol Violations
Holiday DUI Task Forces</p> | <p>3. Occupant Protection
Seat Belts
Child Safety Seats</p> <p>4. Emergency Medical Services
Extrication equipment</p> <p>5. Traffic Records</p> |
|---|---|

Federal Fiscal Year 2008 Highway Safety Plan

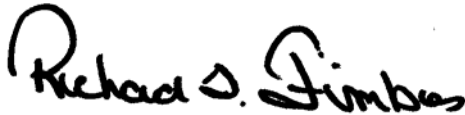

Page 2

When developing your proposal, please keep in mind that we receive approximately \$2.5 million in 402 funds for the entire state. All enforcement related proposals must include an educational component.

The FY2008 Proposal Guide can be printed from our website at: www.azgohs.gov starting Monday, 19 March 2007. If you want a Proposal Guide e-mailed to you, please send your request to parteaga@azgohs.gov. If you or your staff has questions regarding the development of your proposal, please contact one of the GOHS Project Coordinators in Phoenix at 602/255-3216 or Tucson at 520/790-5124.

Please Note: There are significant changes in the proposal process. Be sure to review the FY2008 Proposal Guide to ensure that your proposal is accepted and reviewed.

Sincerely,

A handwritten signature in black ink that reads "Richard G. Fimbres". The signature is written in a cursive, flowing style.

Richard G. Fimbres, Director
Governor's Highway Safety Representative
